RE: D350-636 meeting Subject:

In order to use up all my blade fittings I will enter the following:

4 x D350-636-011 2 stk

4 X D350-636-012 0 stk

4 X D350-636-013 3 stk

4 X D350-636-014 3 stk

THESE WOULD CERTAINLY NOT BE FINISHED ANYTIME SOON, but would give us the

time to do the tooling, and get the hardware in.

I will ask Dan P. to get these all bent and drilled, so we can sart on the tooling modification.
